Dear Regency Board Directors and EJF Management,

Videos of yesterday's Board Special Meeting have been uploaded:

- Part 1 before Executive Session <https://www.youtube.com/watch?v=XhV8fW10-gw> (16:53)
- Part 2 after Executive Session <https://www.youtube.com/watch?v=l48nfPgXkS0> (32:20)

I respectfully request the Board's and EJF's explanation on:

1. Why I was not allowed to continue to speak in the Open Forum:

2. Who took deliberate action to block my comments from the video record? This is the second time it has happened. These actions were obviously deliberate because audio records show that there were no technical difficulties. I would like to know whether the full Board agreed to this deliberate practice, why I am targeted for this practice, and whether this practice will continue in future meetings.
